

Because this is such a momentous undertaking in the long history of Florence Crittenton, there is the opportunity to build a permanent display of a partnership between your business and Florence Crittenton. Naming rights for portions of the campus including outdoor living spaces and our residential facilities is a new and limited option for our organization. If you would like to learn more about this unique prospect, please call Marly Kendrick, Corporate Partnership and Communications Manager at (406) 442-6950, ext. 204 to make an appointment to tour the facility and explore possibilities. Thank you in advance for your consideration!
