

# YOUTH MATERNITY HOME

*Program Overview: A safe, nurturing residential program that supports pregnant and parenting youth by providing prenatal care, educational support, life skills training, and a trauma-informed therapeutic environment to help them build healthy, independent futures.*

Length of Stay: 9-24+ months

## WHAT'S INCLUDED:

- Housing (including all utilities), food, hygiene care and OTC medications for mom and baby
- Baby supplies as needed in partnership with placing agencies and parent
- Transportation
- 24/7 staff
- Mental health and SUD therapeutic services (group and individuals), and case management
- Recreation activities
- Community resource access
- Parenting skill, independent living skill development, and access to education

## ADMISSION REQUIREMENTS:

Must be pregnant, parenting, or working towards reunification.

Age range of mother: must be 12-20 years; age of children: 0-4 at admission, will accept children that will turn 5 during their stay with us.

A mental health or SUD diagnosis is not required.

May be a victim of crime, CPS-referred, juvenile probation, or self/family-referred.

## WHAT THE YOUTH MATERNITY HOME IS NOT:

*The Youth Maternity Home is not a psychiatric hospital, or a therapeutic group home. Clients may have a mental health or SUD diagnosis (lower than a 3.1 ASAM diagnosis); however, we cannot accept clients with severe and frequent suicidal ideation, assault of a non-family member, severe run risk, or fire-starting behaviors*
